## School Board

### Exhibit - Guidance for Board Member Communications, Including Email Use

The School Board is authorized to discuss District business only at a properly noticed Board meeting (Open Meetings Act, 5 ILCS 120/). Other than during a Board meeting, a majority or more of a Board quorum may not engage in contemporaneous interactive communication, whether in person or electronically, to discuss District business. This *Guidance* assumes a Board has seven members and covers issues arising from Board policy 2:140, *Communications To and From the Board*.

#### Communications Outside of a Properly Noticed Board Meeting

1. The Superintendent or designee is permitted to email information to Board members. For example, the Superintendent may email Board meeting agendas and supporting information to Board members. When responding to a single Board member's request, the Superintendent should copy all other Board members and include a *do not reply/forward* alert to the group, such as: **"BOARD MEMBER ALERT: This email is in response to a request. Do not reply or forward to the group but only to the sender."**
2. Board members are permitted to discuss any matter except District business with each other, whether in person or by telephone or email, regardless of the number of members participating in the discussion. For example, they may discuss league sports, work, or current events.
3. Board members are permitted to provide information to each other, whether in person or by telephone or email, that is non-deliberative and non-substantive. Examples of this type of communication include scheduling meetings and confirming receipt of information.
4. A Board member is not permitted to discuss District business with more than one other Board member at a time, whether in person or by telephone or email. Stated another way, a Board member may discuss District business in person or by telephone or email with only one other Board member at a time. However, a Board member should not facilitate interactive communication by discussing District business in a series of visits with, or telephone calls or emails to, Board members individually.
5. A Board member should include a *do not reply/forward* alert when emailing a message concerning District business to more than one other Board member. The following is an example of such an alert: **"BOARD MEMBER ALERT: This email is not for interactive discussion purposes. The recipient should not reply to it or forward it to any other individual."**
6. Board members should not forward email received from another Board member.

#### When Must Email Be Retained?

According to the Freedom of Information Act, a *public record* is any recorded information, regardless of physical form, "having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of any public body," (5 ILCS 140/2). Email sent or received by Board members may be, depending on the content, subject to disclosure as a *public record*. Accordingly, Board members must be able to distinguish between official record and non-record messages. **Important:** According to the binding Ill. Public Access Opinion No. 11-6, electronic communications concerning the transaction of public business are public records subject to disclosure under FOIA even if they were sent from or received by an electronic device owned by a member of a public body, rather than the public body itself.

*Because certain policy numbers are used for IASB sample policies, districts should use numbers ending in 2, 4, 6, or 8 for locally developed policies on topics not covered by IASB sample policies.*

### Non-Record Messages

Email messages are *non-record messages* when individual Board members are acting in their individual or personal capacities. Examples of non-record messages include:

1. Personal correspondence, such as, “Do you want to ride with me to the IASB workshop?”
2. Publications or promotional material from vendors or IASB.
3. Political messages or ones containing campaign strategy.
4. Messages mentioning public business in passing or in a nonsubstantive way.
5. Personal correspondence concerning community activities or children.

Non-record messages are not *public records* under the Freedom of Information Act and do not need to be stored.

### Official Record Messages

Email that qualifies under FOIA as a *public record* will need to be stored only if it is evidence of the District’s organization, function, policies, procedures, or activities or contains informational data appropriate for preservation (Local Records Act, 50 ILCS 205/). An example is any email from a Board officer concerning a decision made in his or her capacity as an officer. If a Board member uses his or her personal email, he or she must copy this type of email, herein called *official record messages*, to the appropriate District office where it will be stored on the Board member’s behalf. If made available, Board members should use their email accounts provided by the District and the District will automatically store the official record messages. The District will delete these official record messages as provided in an applicable, approved retention schedule.

**Important:** Do not destroy any email concerning a topic that is being litigated without obtaining the Board attorney’s direction. In federal lawsuits there is an automatic discovery of virtually all types of electronically created or stored data that might be relevant. Attorneys will generally notify their clients at the beginning of a legal proceeding not to destroy any electronic records that might be relevant. For more discussion of a litigation hold, see 2:250-AP2, *Protocols for Record Preservation and Development of Retention Schedules*.

DATED: December 8, 2014

*Because certain policy numbers are used for IASB sample policies, districts should use numbers ending in 2, 4, 6, or 8 for locally developed policies on topics not covered by IASB sample policies.*

## School Board

### Committees

The School Board may establish committees to assist with the Board's governance function and, in some situations, to comply with State law requirements. These committees are known as Board committees and report directly to the Board. Committee members may include both Board members and non-Board members depending on the committee's purpose. The Board President makes all Board committee appointments unless specifically stated otherwise. Board committee meetings shall comply with the Open Meetings Act. A Board committee may not take final action on behalf of the Board – it may only make recommendations to the Board.

#### Special Board Committees

A special committee may be created for specific purposes or to investigate special issues. A special committee is automatically dissolved after presenting its final report to the Board or at the Board's discretion.

#### Standing Board Committees

A standing committee is created for an indefinite term although its members will fluctuate. Standing committees are:

1. Parent-Teacher Advisory Committee. This committee assists in the development of student discipline policy and procedure. Its members are parents/guardians and teachers, and may include persons whose expertise or experience is needed. The committee reviews such issues as administering medication in the schools, reciprocal reporting between the School District and local law enforcement agencies regarding criminal offenses committed by students, student discipline, disruptive classroom behavior, school bus safety procedures, and the dissemination of student conduct information.
2. Behavioral Interventions Committee. This committee, coordinated by the Executive Director of the Special Education Cooperative, develops and monitors procedures for using behavioral interventions in accordance with Board policy 7:230, *Misconduct by Students with Disabilities*. Committee reports and recommendations are made to the Board upon its request.

Nothing in this policy limits the authority of the Superintendent or designee to create and use committees that report to him or her or to other staff members.

### **Board Attorney**

The School Board may enter into any agreement for legal services with a specific attorney or law firm. The Board Attorney serves on a retainer or other fee arrangement as determined in advance. The Board Attorney will provide services as described in the agreement for legal services. The District will only pay for legal services that are provided in accordance with the agreement for legal services or are otherwise authorized by this policy or a majority of the Board.

The Superintendent, his or her designee, and Board President, are each authorized to confer with and/or seek the legal advice of the Board Attorney. The Board may authorize a specific member to confer with legal counsel on its behalf.

The Superintendent may authorize the Board Attorney to represent the District in any legal matter until the Board has an opportunity to consider the matter.

The Board retains the right to consult with or employ other attorneys and to terminate the service of any attorney.

## **School Board**

### **Types of School Board Meetings**

#### **General**

For all meetings of the School Board and its committees, the Superintendent or designee shall satisfy all notice and posting requirements contained herein as well as in the Open Meetings Act. This shall include mailing meeting notifications to news media that have officially requested them and to others as approved by the Board. Unless otherwise specified, all meetings are held in the Library. Board policy 2:220, *School Board Meeting Procedure*, governs meeting quorum requirements.

The Superintendent is designated on behalf of the Board and each Board committee to receive the training on compliance with the Open Meetings Act that is required by Section 1.05(a) of that Act. The Superintendent may identify other employees to receive the training. Each Board member must complete a course of training on the Open Meetings Act as required by Section 1.05(b) or (c) of that Act.

#### **Regular Meetings**

The Board announces the time and place for its regular meetings at the beginning of each fiscal year. The Superintendent shall prepare and make available the calendar of regular Board meetings. The regular meeting calendar may be changed with 10 days' notice in accordance with State law.

A meeting agenda shall be posted at the District's main office and the Board's meeting room, or other location where the meeting is to be held, at least 48 hours before the meeting.

#### **Closed Meetings**

The Board and Board committees may meet in a closed meeting to consider the following subjects:

1. The appointment, employment, compensation, discipline, performance, or dismissal of specific employees of the public body or legal counsel for the public body, including hearing testimony on a complaint lodged against an employee of the public body or against legal counsel for the public body to determine its validity. 5 ILCS 120/2(c)(1).
2. Collective negotiating matters between the public body and its employees or their representatives, or deliberations concerning salary schedules for one or more classes of employees. 5 ILCS 120/2(c)(2).
3. The selection of a person to fill a public office, as defined in the Open Meetings Act, including a vacancy in a public office, when the public body is given power to appoint under law or ordinance, or the discipline, performance or removal of the occupant of a public office, when the public body is given power to remove the occupant under law or ordinance. 5 ILCS 120/2(c)(3).
4. Evidence or testimony presented in open hearing, or in closed hearing where specifically authorized by law, to a quasi-adjudicative body, as defined in the Open Meetings Act, provided that the body prepares and makes available for public inspection a written decision setting forth its determinative reasoning. 5 ILCS 120/2(c)(4).
5. The purchase or lease of real property for the use of the public body, including meetings held for the purpose of discussing whether a particular parcel should be acquired. 5 ILCS 120/2(c)(5).

*Because certain policy numbers are used for IASB sample policies, districts should use numbers ending in 2, 4, 6, or 8 for locally developed policies on topics not covered by IASB sample policies.*

6. The setting of a price for sale or lease of property owned by the public body. 5 ILCS 120/2(c)(6).
7. The sale or purchase of securities, investments, or investment contracts. 5 ILCS 120/2(c)(7).
8. Security procedures and the use of personnel and equipment to respond to an actual, a threatened, or a reasonably potential danger to the safety of employees, students, staff, the public, or public property. 5 ILCS 120/2(c)(8).
9. Student disciplinary cases. 5 ILCS 120/2(c)(9).
10. The placement of individual students in special education programs and other matters relating to individual students. 5 ILCS 120/2(c)(10).
11. Litigation, when an action against, affecting or on behalf of the particular public body has been filed and is pending before a court or administrative tribunal, or when the public body finds that an action is probable or imminent, in which case the basis for the finding shall be recorded and entered into the minutes of the closed meeting. 5 ILCS 120/2(c)(11).
12. The establishment of reserves or settlement of claims as provided in the Local Governmental and Governmental Employees Tort Immunity Act, if otherwise the disposition of a claim or potential claim might be prejudiced, or the review or discussion of claims, loss or risk management information, records, data, advice or communications from or with respect to any insurer of the public body or any intergovernmental risk management association or self insurance pool of which the public body is a member. 5 ILCS 120/2(c)(12).
13. Self evaluation, practices and procedures or professional ethics, when meeting with a representative of a statewide association of which the public body is a member. 5 ILCS 120/2(c)(16).
14. Discussion of minutes of meetings lawfully closed under the Open Meetings Act, whether for purposes of approval by the body of the minutes or semi-annual review of the minutes as mandated by Section 2.06. 5 ILCS 120/2(c)(21).
15. Meetings between internal or external auditors and governmental audit committees, finance committees, and their equivalents, when the discussion involves internal control weaknesses, identification of potential fraud risk areas, known or suspected frauds, and fraud interviews conducted in accordance with generally accepted auditing standards of the United States of America. 5 ILCS 120/2(c)(29).

The Board may hold a closed meeting, or close a portion of a meeting, by a majority vote of a quorum, taken at an open meeting. The vote of each Board member present, and the reason for the closed meeting, will be publicly disclosed at the time of the meeting and clearly stated in the motion and the meeting minutes.

A single motion calling for a series of closed meetings may be adopted when such meetings will involve the same particular matters and are scheduled to be held within 3 months of the vote.

No final Board action will be taken at a closed meeting.

#### Reconvened or Rescheduled Meetings

A meeting may be rescheduled or reconvened. Public notice of a rescheduled or reconvened meeting shall be given in the same manner as that for a special meeting, except that no public notice is required when the original meeting is open to the public and: (1) is to be reconvened within 24 hours, or (2) an announcement of the time and place of the reconvened meeting was made at the original meeting and there is no change in the agenda.

*Because certain policy numbers are used for IASB sample policies, districts should use numbers ending in 2, 4, 6, or 8 for locally developed policies on topics not covered by IASB sample policies.*

### Special Meetings

Special meetings may be called by the President or by any 3 members of the Board by giving notice thereof, in writing, stating the time, place, and purpose of the meeting to remaining Board members by mail at least 48 hours before the meeting, or by personal service at least 24 hours before the meeting.

Public notice of a special meeting is given by posting a notice at the District's main office at least 48 hours before the meeting and by notifying the news media that have filed a written request for notice. A meeting agenda shall accompany the notice.

All matters discussed by the Board at any special meeting must be related to a subject on the meeting agenda.

### Emergency Meetings

Public notice of emergency meetings shall be given as soon as practical, but in any event, before the meeting to news media that have filed a written request for notice.

### Posting on the District Website

In addition to the other notices specified in this policy, the Superintendent or designee shall post the following on the District website: (1) the annual schedule of regular meetings, which shall remain posted until the Board approves a new schedule of regular meetings; (2) a public notice of all Board meetings; and (3) the agenda for each meeting which shall remain posted until the meeting is concluded.

### **Organizational School Board Meeting**

During a March meeting in odd-numbered years, the School Board establishes a date for its organizational meeting to be held sometime after the election authority canvasses the vote, but within 28 days after the consolidated election. The consolidated election is held on the first Tuesday in April of odd-numbered years. If, however, that date conflicts with the celebration of Passover, the consolidated election is postponed to the first Tuesday following the last day of Passover. At the organizational meeting the following shall occur:

1. Each successful candidate, before taking his or her seat on the Board, shall take the oath of office as provided in Board policy 2:80, *Board Member Oath and Conduct*.
2. The new Board members shall be seated.
3. The Board shall elect its officers who assume office immediately upon their election.

## School Board

### School Board Meeting Procedure

#### Agenda

The School Board President is responsible for focusing the Board meeting agendas on appropriate content. The Superintendent shall prepare agendas in consultation with the Board President.

Each Board meeting agenda shall contain the general subject matter of any item that will be the subject of final action at the meeting. Items submitted by Board members to the Superintendent or the President shall be placed on the agenda for an upcoming meeting. District residents may suggest inclusions for the agenda. The Board will take final action only on items contained in the posted agenda; items not on the agenda may still be discussed.

The Superintendent shall provide a copy of the agenda, with adequate data and background information, to each Board member at least 48 hours before each meeting, except a meeting held in the event of an emergency. The meeting agenda shall be posted in accordance with Board policy 2:200, *Types of School Board Meetings*.

The Board President shall determine the order of business at regular Board meetings. Upon consent of a majority of members present, the order of business at any meeting may be changed.

#### Voting Method

Unless otherwise provided by law, when a vote is taken upon any measure before the Board, with a quorum being present, a majority of the votes cast shall determine its outcome. A vote of *abstain* or *present*, or a vote other than *yea* or *nay*, or a failure to vote, is counted for the purposes of determining whether a quorum is present. A vote of *abstain* or *present*, or a vote other than *yea* or *nay*, or a failure to vote, however, is not counted in determining whether a measure has been passed by the Board, unless otherwise stated in law.

On all questions involving the expenditure of money and on all questions involving the closing of a meeting to the public, a roll call vote shall be taken and entered in the Board's minutes. An individual Board member may request that a roll call vote be taken on any other matter; the President or other presiding officer may approve or deny the request but a denial is subject to being overturned by a majority vote of the members present.

#### Minutes

The Board Secretary shall keep written minutes of all Board meetings (whether open or closed), which shall be signed by the President and the Secretary. The minutes include:

1. The meeting's date, time, and place;
2. Board members recorded as either present or absent;
3. A summary of the discussion on all matters proposed, deliberated, or decided, and a record of any votes taken;
4. On all matters requiring a roll call vote, a record of who voted *yea* and *nay*;
5. If the meeting is adjourned to another date, the time and place of the adjourned meeting;
6. The vote of each member present when a vote is taken to hold a closed meeting or portion of a meeting, and the reason for the closed meeting with a citation to the specific exception contained in the Open Meetings Act authorizing the closed meeting;
7. A record of all motions, including individuals making and seconding motions;
8. Upon request by a Board member, a record of how he or she voted on a particular motion; and

*Because certain policy numbers are used for IASB sample policies, districts should use numbers ending in 2, 4, 6, or 8 for locally developed policies on topics not covered by IASB sample policies.*

9. The type of meeting, including any notices and, if a reconvened meeting, the original meeting's date.

The minutes shall be submitted to the Board for approval or modification at its next regularly scheduled open meeting. Minutes for open meetings must be approved within 30 days after the meeting or at the second subsequent regular meeting, whichever is later.

At least semi-annually in an open meeting, the Board: (1) reviews minutes from all closed meetings that are currently unavailable for public release, and (2) decides which, if any, no longer require confidential treatment and are available for public inspection. The Board may meet in a prior closed session to review the minutes from closed meetings that are currently unavailable for public release.

The Board's meeting minutes must be submitted to the Board Treasurer at such times as the Treasurer may require.

The official minutes are in the custody of the Board Secretary. Open meeting minutes are available for inspection during regular office hours within 10 days after the Board's approval; they may be inspected in the District's main office, in the presence of the Secretary, the Superintendent or designee, or any Board member. Minutes from closed meetings are likewise available, but only if the Board has released them for public inspection. The minutes shall not be removed from the Superintendent's office except by vote of the Board or by court order.

The Board's open meeting minutes shall be posted on the District website within 10 days after the Board approves them; the minutes will remain posted for at least 60 days.

#### Verbatim Record of Closed Meetings

The Superintendent, or the Board Secretary when the Superintendent is absent, shall audio record all closed meetings. If neither is present, the Board President or presiding officer shall assume this responsibility. After the closed meeting, the person making the audio recording shall label the recording with the date and store it in a secure location. The Superintendent shall ensure that: (1) an audio recording device and all necessary accompanying items are available to the Board for every closed meeting, and (2) a secure location for storing closed meeting audio recordings is maintained within the District's main office.

After 18 months have passed since being made, the audio recording of a closed meeting is destroyed provided the Board approved: (1) its destruction, and (2) minutes of the particular closed meeting.

Individual Board members may listen to verbatim recordings when that action is germane to their responsibilities. In the interest of encouraging free and open expression by Board members during closed meetings, the recordings of closed meetings should not be used by Board members to confirm or dispute the accuracy of recollections.

#### Quorum and Participation by Audio or Video Means

A quorum of the Board must be physically present at all Board meetings. A majority of the full membership of the Board constitutes a quorum.

Provided a quorum is physically present, a Board member may attend a meeting by video or audio conference if he or she is prevented from physically attending because of: (1) personal illness or disability, (2) employment or District business, or (3) a family or other emergency. If a member wishes to attend a meeting by video or audio means, he or she must notify the Superintendent at least 24 hours before the meeting unless advance notice is impractical. The recording secretary or Superintendent will inform the Board President and make appropriate arrangements. A Board member who attends a meeting by audio or video means, as provided in this policy, may participate in all aspects of the Board meeting including voting on any item.

*Because certain policy numbers are used for IASB sample policies, districts should use numbers ending in 2, 4, 6, or 8 for locally developed policies on topics not covered by IASB sample policies.*

### Rules of Order

Unless State law or Board-adopted rules apply, the Board President, as the presiding officer, will use Robert's Rules of Order, Newly Revised (10th Edition), as a guide when a question arises concerning procedure.

### Broadcasting and Recording Board Meetings

Any person may record or broadcast an open Board meeting. Special requests to facilitate recording or broadcasting an open Board meeting, such as seating, writing surfaces, lighting, and access to electrical power, should be directed to the Superintendent at least 24 hours before the meeting.

Recording meetings shall not distract or disturb Board members, other meeting participants, or members of the public. The Board President may designate a location for recording equipment, may restrict the movements of individuals who are using recording equipment, or may take such other steps as are deemed necessary to preserve decorum and facilitate the meeting.

## School Board

### Exhibit - Board Treatment of Closed Meeting Verbatim Records and Minutes

The following procedures govern the verbatim audio recordings and minutes of School Board meetings that are closed to the public.

<b>Actor</b>	<b>Action</b>
<i>Before any Board meeting:</i> Superintendent or designee	<p>Arranges to have an audio recording device with extra recording tapes and a back-up audio recording device in the Board meeting room during every Board meeting regardless of whether a closed meeting is scheduled.</p> <p>The Board may close a portion of a public meeting without prior notice; it cannot, however, have a closed meeting unless it can record the session.</p>
<i>Before a closed meeting:</i> Board President or presiding officer	<p>On the closed meeting date: (1) convenes an open meeting, (2) requests a motion to adjourn into closed meeting making sure the reason for the meeting is identified in the motion, (3) takes a roll call vote, (4) asks that the minutes record the vote of each member present and the reason for the closed meeting with a citation to the specific exception contained in the Open Meetings Act authorizing the closed meeting (5 ILCS 120/2a), and (5) adjourns the open meeting.</p>
<i>Before a closed meeting:</i> Superintendent or Board Secretary	<p>Immediately before a closed meeting, tests and activates the audio recording device.</p>
<i>During a closed meeting:</i> Board President or presiding officer	<p>Convenes the closed meeting stating:</p> <p>Seeing a quorum of the Board of Education gathered today, ___ date, at ___ o'clock, at ___ location, for the purpose of holding a closed meeting in order to confidentially discuss ___, I call the meeting to order. In order to record who is present, I request that each individual state his or her name and position with the District.</p> <p>Limits discussion to the topics that were included in the motion to go into a closed meeting.</p> <p>The failure to immediately call a person out-of-order who strays from the purposes included in the motion may result in an appearance of acquiescence. This responsibility to call a person out-of-order falls on each Board member in the event of the President's failure.</p> <p>Once the closed meeting is finished, announces a return to an open meeting or adjournment, and states the time.</p>

*Because certain policy numbers are used for IASB sample policies, districts should use numbers ending in 2, 4, 6, or 8 for locally developed policies on topics not covered by IASB sample policies.*

### Exhibit - Open Meeting Minutes 2

#### **Meeting Minutes Protocol**

1. Meeting minutes are the permanent record of the proceedings during a School Board meeting. All Board action must be recorded in the minutes; thus, the minutes focus on Board action.
2. The minutes only include information provided at the meeting. Information may not be corrected or updated in the minutes unless it was discussed at the meeting.
3. Minutes include a summary of the Board's discussion on an agenda topic; the minutes do not state what is said verbatim. The minutes do not repeat the same point made by different individuals. If appropriate, the minutes include a brief background and an explanation of the circumstances surrounding an issue discussed. The minutes do not include the names of members making specific points during discussion. Requests from individual Board members to include their vote or an opinion are handled according to Board policy 2:220, *School Board Meeting Procedure*.
4. The minutes include the topic of reports that are made to the Board including reports from the Superintendent or a Board committee. Written reports are filed with the minutes but do not become part of the minutes.
5. The minutes note when a member is not present for the entire meeting due to late arrival and/or early departure.
6. Although items may be considered by the Board in a different order than appeared on the agenda, items in the minutes are generally recorded in the same order as they appeared on the agenda. When a meeting is reconvened on a different date, the minutes must describe what happened on each meeting date.
7. The minutes should be recorded in an objective but positive/constructive tone. Answers and explanations, rather than questions, are recorded. Writing style, including choice of words and sentence structure, is at the discretion of the individual recording the minutes.
8. The minutes include individuals' names who speak during the meeting's public participation segment as well as the topics they address. All written documents presented at a Board meeting are filed with the minutes but do not become part of the minutes.
9. The following template generally governs meeting minutes.

Logging and Review Process

- Step 1. The Board Secretary or Recording Secretary maintains a log of the closed meeting minutes that are unavailable for public inspection. The meeting minutes are logged according to the reason the Board held the closed meeting. 2:220-E6, *Log of Closed Meeting Minutes*.
- Step 2. The Board meets in closed session to review the log of unreleased closed meeting minutes. The Board or Recording Secretary brings a copy of all unreleased closed meeting minutes and, if requested, allows Board members to review the actual minutes. The Board identifies which closed meeting minutes or portions thereof no longer need confidential treatment. Use *Report Following the Board’s Semi-Annual Review of Closed Meeting Minutes*, below.
- Step 3. At least semi-annually in an open meeting, the Board takes action to release for public inspection those minutes, or portions thereof, no longer needing confidential treatment. Use *Action to Accept*, below. Closed meeting minutes will not be released for public inspection if confidential treatment is needed to protect the public interest or the privacy of an individual, including: (1) student disciplinary cases or other matters relating to an individual student, and (2) personnel files and employees’ and Board members’ personal information.
- Step 4. The Board or Recording Secretary: (1) updates the log of unreleased closed meeting minutes to remove any minutes that the Board made available for public inspection; (2) makes a notation on any applicable closed meeting minutes of the Board’s action to release it or a portion of it for public inspection; and (3) continues to log new closed meeting minutes that the Board has not released for public inspection. 2:220-E6, *Log of Closed Meeting Minutes*.

Report Following the Board’s Semi-Annual Review of Closed Meeting Minutes

### Public Participation at School Board Meetings and Petitions to the Board

At each regular and special open meeting, members of the public and District employees may comment to or ask questions of the School Board, subject to reasonable constraints.

The individuals appearing before the Board are expected to follow these guidelines:

1. Address the Board only at the appropriate time as indicated on the agenda and when recognized by the Board President.
2. Identify oneself and be brief. Ordinarily, comments shall be limited to 5 minutes. In unusual circumstances, and when an individual has made a request in advance to speak for a longer period of time, the individual may be allowed to speak for more than 5 minutes.
3. Observe the Board President's decision to shorten public comment to conserve time and give the maximum number of individuals an opportunity to speak.
4. Observe the Board President's decision to determine procedural matters regarding public participation not otherwise covered in Board policy.
5. Conduct oneself with respect and civility toward others and otherwise abide by Board policy, 8:30, *Visitors to and Conduct on School Property*.

Petitions or written correspondence to the Board shall be presented to the Board in the next regular Board packet.

### **Board Policy Development**

The School Board governs using written policies. Written policies ensure legal compliance, establish Board processes, articulate District ends, delegate authority, and define operating limits. Board policies also provide the basis for monitoring progress toward District ends.

#### **Policy Development**

Anyone may propose new policies, changes to existing policies, or deletion of existing policies. Staff suggestions should be processed through the Superintendent. Suggestions from all others should be made to the Board President or the Superintendent.

The Superintendent is responsible for: (1) providing relevant policy information and data to the Board, (2) notifying those who will implement or be affected by or required to implement a proposed policy and obtaining their advice and suggestions, and (3) having policy recommendations drafted into written form for Board deliberation. The Superintendent shall seek the counsel of the Board Attorney when appropriate.

#### **Policy Adoption and Dissemination**

Policies or policy revisions will not be adopted at the Board meeting at which they are first introduced, except when necessary or prudent in order to meet emergency or special conditions or to be legally compliant. Further Board consideration will be given at a subsequent meeting(s) and after opportunity for community input. The adoption of a policy will serve to supersede all previously adopted policies on the same topic.

The Board policies are available for public inspection in the District's main office during regular office hours. Copy requests should be made pursuant to Board policy 2:250, *Access to District Public Records*.

#### **Board Policy Review and Monitoring**

The Board will periodically review its policies for relevancy, monitor its policies for effectiveness, and consider whether any modifications are required. The Board may use an annual policy review and monitoring calendar.

#### **Superintendent Implementation**

The Board will support any reasonable interpretation of Board policy made by the Superintendent. If reasonable minds differ, the Board will review the applicable policy and consider the need for further clarification.

In the absence of Board policy, the Superintendent is authorized to take appropriate action.

#### **Suspension of Policies**

The Board, by a majority vote of members present at any meeting, may temporarily suspend a Board policy except those provisions that are controlled by law or contract. The failure to suspend with a specific motion does not invalidate the Board action.

*Because certain policy numbers are used for IASB sample policies, districts should use numbers ending in 2, 4, 6, or 8 for locally developed policies on topics not covered by IASB sample policies.*

### Exhibit - Developing Local Policy

Actor	Action
Anyone (Superintendent, School Board member, staff, parent, student, community member, or Board Attorney)	Brings a concern that may necessitate a new policy or a current policy's revision to the attention of the School Board.
Policy Committee (or Full Board)	<p><b>First</b>, answers these questions to decide whether new policy language is needed:</p> <ol style="list-style-type: none"> <li>1. Does the IASB Policy Reference Manual provide guidance?</li> <li>2. Is the request something that should be covered in policy (i.e., Board work) or is it something that should be handled by the staff (i.e., staff work)?</li> <li>3. Is it already covered in policy? Checks for policies that cover similar or connected topics using tools such as search engines, cross references, and indexes.</li> </ol> <p><b>Second</b>, uses a 4-step process to draft new policy language:</p> <ol style="list-style-type: none"> <li>1. Frames the question and discusses the topic.</li> <li>2. Requests the Superintendent to provide research, including appropriate data, and input from others, such as, those who may be affected by the policy and those who will implement the policy.</li> <li>3. Assesses existing policy and decides whether new or revised policy language is needed.</li> <li>4. Drafts or requests the Superintendent or Board Attorney to draft, language addressing the concern that aligns with the Board's mission, vision, goals, and objectives.</li> </ol> <p><b>Third</b>, decides whether the new language should be included in an existing policy or added as a new policy. Assigns any new policy an appropriate location and number.</p> <p>The <b>PRESS</b> coding system reserves policy numbers ending in a '0' and '5' for <b>PRESS</b> material. Local districts are encouraged to use policy numbers ending in even numbers other than '0'.</p>
Full Board	<p>Conducts a first reading of the policy that is recommended for adoption or revision.</p> <p>During the next regular meeting, conducts a second reading.</p> <p>A second reading allows the Board to hear feedback from interested parties, including staff, parents, students, and community members; however, State law does not require two readings.</p>
Superintendent	Confers with the Board Attorney as appropriate.

## **School Board**

### **Access to District Public Records**

Full access to the District's *public records* is available to any person as provided in the Illinois Freedom of Information Act (FOIA), this policy, and implementing procedures.

#### **Freedom of Information Officer**

The Superintendent shall serve as the District's Freedom of Information Officer and assumes all the duties and powers of that office as provided in FOIA and this policy. The Superintendent may delegate these duties and powers to one or more designees, but the delegation shall not relieve the Superintendent of the responsibility for the action that was delegated. The Superintendent or designee(s) shall report any FOIA requests and the status of the District's response to the Board at each regular Board meeting.

#### **Definition**

The District's *public records* are defined as records, reports, forms, writings, letters, memoranda, books, papers, maps, photographs, microfilms, cards, tapes, recordings, electronic data processing records, electronic communications, recorded information and all other documentary materials pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of the School District.

#### **Requesting Records**

A request for inspection and/or copies of public records must be made in writing and may be submitted by personal delivery, mail, telefax, or email directed to the District's Freedom of Information Officer. Individuals making a request are not required to state a reason for the request other than to identify when the request is for a commercial purpose or when requesting a fee waiver. All requests for inspection and copying shall immediately be forwarded to the District's Freedom of Information Officer or designee.

#### **Responding to Requests**

The Freedom of Information Officer shall approve all requests for public records unless:

1. The requested material does not exist;
2. The requested material is exempt from inspection and copying by the Freedom of Information Act; or
3. Complying with the request would be unduly burdensome.

Within 5 business days after receipt of a request for access to a public record, the Freedom of Information Officer shall comply with or deny the request, unless the time for response is extended as specified in Section 3 of FOIA. The Freedom of Information Officer may extend the time for a response for up to 5 business days from the original due date. If an extension is needed, the Freedom of Information Officer shall: (1) notify the person making the request of the reason for the extension, and (2) either inform the person of the date on which a response will be made, or agree with the person in writing on a compliance period.

Notwithstanding the above, the Freedom of Information Officer shall respond to requests for *commercial purposes* and to *recurrent requesters* (as those terms are defined in Section 2 of FOIA) according to Sections 3.1 and 3.2 of FOIA.

*Because certain policy numbers are used for IASB sample policies, districts should use numbers ending in 2, 4, 6, or 8 for locally developed policies on topics not covered by IASB sample policies.*

When responding to a request for a record containing both exempt and non-exempt material, the Freedom of Information Officer shall redact exempt material from the record before complying with the request.

#### Copying Fees

Persons making a request for copies of public records must pay any applicable copying fee. The Freedom of Information Officer shall, as needed, recommend a copying fee schedule for the Board's approval. Copying fees, except when fixed by statute, are reasonably calculated to reimburse the District's actual cost for reproducing and certifying public records and for the use, by any person, of its equipment to copy records. No copying fee shall be charged for the first 50 pages of black and white, letter or legal sized copies. No copying fee shall be charged for electronic copies other than the actual cost of the recording medium.

#### Fees for Responding to a Request for a Commercial Purpose

In addition to copying fees, persons making a request for a *commercial purpose*, as defined in FOIA, must pay a fee of \$10 for each hour spent by personnel in searching for and retrieving the record. However, no fees shall be charged for the first 8 hours spent by personnel in searching for or retrieving a requested record. The District also charges the actual cost of retrieving and transporting public records from an off-site storage facility when the public records are maintained by a third-party storage facility under contract with the District. Whenever the District charges any fees to a requester making a commercial request, the Freedom of Information Officer shall provide the requester with an accounting of all fees, costs, and personnel hours in connection with the request for public records.

#### Access

The inspection and copying of a public record that is the subject of an approved access request is permitted at the District's administrative office during regular business hours, unless other arrangements are made by the Freedom of Information Officer.

Many public records are immediately available from the District's website including, but not limited to, a description of the District and the methods for requesting a public record.

#### Preserving Public Records

Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the District's organization, function, policies, procedures, or activities, (2) they contain informational data appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Board Attorney (e.g. a litigation hold), District auditor, or other individual authorized by the School Board or State or federal law to make such a request. Unless its retention is required as described in items numbered 3 or 4 above, a public record, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission.

*Because certain policy numbers are used for IASB sample policies, districts should use numbers ending in 2, 4, 6, or 8 for locally developed policies on topics not covered by IASB sample policies.*

## School Board

### Uniform Grievance Procedure

A student, parent/guardian, employee, or community member should notify any District Complaint Manager if he or she believes that the School Board, its employees, or agents have violated his or her rights guaranteed by the State or federal Constitution, State or federal statute, or Board policy, or have a complaint regarding any one of the following:

The Complaint Manager will attempt to resolve complaints without resorting to this grievance procedure and, if a complaint is filed, to address the complaint promptly and equitably. The right of a person to prompt and equitable resolution of a complaint filed hereunder shall not be impaired by the person's pursuit of other remedies. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies. All deadlines under this procedure may be extended by the Complaint Manager as he or she deems appropriate. As used in this policy, "school business days" means days on which the District's main office is open.

### Filing a Complaint

A person (hereinafter Complainant) who wishes to avail him or herself of this grievance procedure may do so by filing a complaint with any District Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same gender. The Complaint Manager may request the Complainant to provide a written statement regarding the nature of the complaint or require a meeting with a student's parent(s)/guardian(s). The Complaint Manager shall assist the Complainant as needed.

*Because certain policy numbers are used for IASB sample policies, districts should use numbers ending in 2, 4, 6, or 8 for locally developed policies on topics not covered by IASB sample policies.*

### Investigation

The Complaint Manager will investigate the complaint or appoint a qualified person to undertake the investigation on his or her behalf. If the Complainant is a student under 18 years of age, the Complaint Manager will notify his or her parent(s)/guardian(s) that they may attend any investigatory meetings in which their child is involved. The complaint and identity of the Complainant will not be disclosed except: (1) as required by law, this policy, or (2) as necessary to fully investigate the complaint, or (3) as authorized by the Complainant.

The identity of any student witnesses will not be disclosed except: (1) as required by law or any collective bargaining agreement, or (2) as necessary to fully investigate the complaint, or (3) as authorized by the parent/guardian of the student witness, or by the student if the student is 18 years of age or older.

Within 30 school business days of the date the complaint was filed, the Complaint Manager shall file a written report of his or her findings with the Superintendent. The Complaint Manager may request an extension of time. If a complaint of sexual harassment contains allegations involving the Superintendent, the written report shall be filed with the Board, which will make a decision in accordance with the following section of this policy. The Superintendent will keep the Board informed of all complaints.

### Decision and Appeal

Within 5 school business days after receiving the Complaint Manager's report, the Superintendent shall mail his or her written decision to the Complainant by U.S. mail, first class, as well as to the Complaint Manager.

Within 10 school business days after receiving the Superintendent's decision, the Complainant may appeal the decision to the Board by making a written request to the Complaint Manager. The Complaint Manager shall promptly forward all materials relative to the complaint and appeal to the Board. Within 30 school business days, the Board shall affirm, reverse, or amend the Superintendent's decision or direct the Superintendent to gather additional information. Within 5 school business days of the Board's decision, the Superintendent shall inform the Complainant of the Board's action.

This grievance procedure shall not be construed to create an independent right to a hearing before the Superintendent or Board. The failure to strictly follow the timelines in this grievance procedure shall not prejudice any party.

### Appointing Nondiscrimination Coordinator and Complaint Managers

The Superintendent shall appoint a Nondiscrimination Coordinator to manage the District's efforts to provide equal opportunity employment and educational opportunities and prohibit the harassment of employees, students, and others.

The Superintendent shall appoint at least one Complaint Manager to administer the complaint process in this policy. If possible, the Superintendent will appoint 2 Complaint Managers, one of each gender. The District's Nondiscrimination Coordinator may be appointed as one of the Complaint Managers.

The Superintendent shall insert into this policy and keep current the names, addresses, and telephone numbers of the Nondiscrimination Coordinator and the Complaint Managers.
