

# **Summer Reading Challenge**

**Mrs. Dike is challenging each student from kindergarten to seventh grade to complete this year's summer reading Challenge. This consists of reading throughout the summer, as well as submitting a monthly calendar(20 minutes a day for 20 days each month), and filling out the required "Summer Break Book Review" worksheets.**

**Required book reviews are as follows:**

**Kindergarten through seventh grade\* - 3 book reviews per month (3 book reviews in June, 3 book reviews in July, and 3 book reviews in August)**

**\*Third through Seventh Grade...all books should be chapter books.**

**Participants who do all 3 monthly calendars, as well as their book reviews, will be rewarded in the fall, after school has started. It will be in the evening after school, at a date to be determined. The summer reading calendars and book reviews should be filled in and returned to Mrs. Dike at the end of August/beginning of September. 😊**

**If your child is up for this challenge, please respond back to Mrs. Dike or contact the office by *Tuesday, May 23*. Mrs. Dike will get the necessary materials sent out to you by the end of the school year!**
